

PACIFICWILD

How To Get Pacific Wild's Wolf Howl Ringtone On Your Device

DOWNLOAD THE RINGTONE FILE

1. Download the ringtone from our online store:
shop.pacificwild.org/products/wolf-howl-ringtone
2. A download link will be emailed to you after checkout.

INSTALL ON IPHONE/IPAD

1. Unzip the downloaded file so you can see the file called "iPhone Wolf Howl Ringtone.m4r".
2. Connect your iPhone/iPad to your computer and open iTunes. Select your device in the iTunes library area, and click on "Tones".
3. Either drag or copy and paste the "iPhone Wolf Howl Ringtone.m4r" file into the tones library then click "Sync" to synchronize the file to your device.
4. On your phone, visit > Settings > Sounds > Ringtone and then chose "iPhone Wolf Howl Ringtone".

INSTALL ON ANDROID

1. Unzip the downloaded file so you can see the file called "Android Wolf Howl Ringtone.mp3".
2. Copy the file to your phone. The stock Samsung Music Player app ought to be able to see the files. Check whether the music tracks appear in the Music Player app.
3. Go to Settings > Sound > Device ringtone. You will see a list of the phone's default ringtones.
4. Tap the "Add" button to launch the media manager app. If your phone has several file/media manager apps, select Music Player from the popup box.
5. You will see a list of music files stored on your phone. Select the Wolf Howl Ringtone and tap "Done".
